A MESSAGE FROM THE PRESIDENT/CEO

ROBERT L. RUNDLE

Dear Friends of SpiriTrust Lutheran,

As I reflected on the accomplishments of SpiriTrust Lutheran® in 2017, I quickly realized that there was a common theme to our work – investment in the community. Because of your support we were able to invest in the lives of more than 22,000 residents, clients and participants by providing more than \$8.6 million in benevolent care in 2017 – *an increase of \$1.7 million over the previous year!* We are extremely grateful for your generosity because without your support we certainly could not have served all these people. And for that, we thank you from the bottom of our hearts.

Last year, we reported the long awaited news of being granted permission to expand our ministry of skilled care to SpiriTrust Lutheran®, The Village at Luther Ridge in Franklin County. Our investment in the new care center began this winter and is expected to be completed and ready to receive our first residents in the spring of 2019. This new center will support the care of 40 residents, including individuals already living on the campus, as well as residents from the surrounding community.

SpiriTrust Lutheran® Volunteer Income Tax Assistance (VITA) volunteers and team members prepared and filed federal, state and local income tax forms for 4,694 tax payers. Combined federal and state tax returns completed through VITA resulted in nearly \$7.3 million being returned to York County residents, impacting the lives of 7,295 taxpayers and dependents. When factoring in the out-of-pocket savings achieved through this free tax preparation program, the total community economic impact is nearly \$8.6 million.

At the start of the year we launched two initiatives to help our team members grow and develop as leaders. The first initiative, the “Trusted Leaders Academy”, brought 24 future leaders from across the agency together to increase their skills as leaders. As part of the curriculum, team members were tasked with solving real-world challenges the agency faces every day. The second initiative, “Lean Way”, empowers our employees to suggest changes focused on eliminating waste to help the agency be more effective. Both of these investments support our legacy and heritage of providing exceptional care to all.

This past summer we faced the challenge of evacuating 99 residents from the skilled care center at The Village at Sprenkle Drive. While this event disrupted the lives of residents, families and staff, the compassion that the staff showed during this difficult time truly brought out what it means to be SpiriTrust Lutheran. For more than 45 days, team members traveled to 15 different skilled care centers to ensure that our residents were receiving the care they have come to expect when they placed their trust in us. From the safe evacuation of the first resident until the last resident was brought home, the core values of SpiriTrust Lutheran never shined brighter. Our investment in preparedness training truly paid dividends.

These are just some of the ways SpiriTrust Lutheran has been able to invest in our community thanks to your support. As you read through the pages of our Donor and Community Impact Report, I hope you share the same pride we do knowing that these investments could only be possible because of your generous investment in support of our mission. 🌈

A MESSAGE FROM THE CHAIR OF THE BOARD

ELIZABETH J. DELLINGER

HOW YOUR DOLLARS ARE BEING SPENT

In addition to philanthropic dollars contributed by you, SpiriTrust Lutheran provided more than \$8.6 million in benevolent care to those in need in our community in 2017.

Greetings from the SpiriTrust Lutheran® Foundation!

I'm delighted to serve as the chair of the Board of Trustees. First, thank you for your support to the SpiriTrust Lutheran Foundation! Your gifts were a blessing to the people we served last year through senior living, home care, hospice and counseling services, support for the Deaf and hard of hearing community, tax preparation assistance, domestic abuse solutions and other life enhancing programs that impacted more than 22,000 people last year.

You, our valued donor, contributed to the \$8.6 million we provided in benevolent care – an increase of more than \$1.7 million from 2016. Through your gifts you gave SpiriTrust Lutheran team members the privilege of saying, “Yes, we can help you.” – a simple, but profound phrase, that provides comfort, security and relief to so many in need. The stories we share with you about Martha, Victor and Bob are just a few examples of the 22,000 people you helped last year!

Thank you for your support in 2017. I hope we can count on you in 2018 and beyond! 🌈

Blessings to you,

Elizabeth J. Dellinger

Taking care to a new level.

The assignment Michael Allen-Hall was given in 1996 is finally on its way to completion. Michael Allen-Hall began his architectural career in Washington D.C. before he was recruited to work for Noelker and Hull Associates, Inc., a well-known firm located in Chambersburg. Shortly after he arrived in Franklin County, Michael was asked to perform a planning study for a nursing facility at what we today know as SpiriTrust Lutheran®, the Village at Luther Ridge. Like many planning studies, this project was filed away and never acted upon.

“I enjoy working with SpiriTrust Lutheran because their focus is always on the people they serve and I like being a part of mission-driven work.”

~MICHAEL ALLEN-HALL

Thanks to strong perseverance and tenacity, The Village at Luther Ridge is adding a skilled care center to complete its family of services in Spring 2019. More than 20 years have passed since Michael's initial assignment. Technology has advanced. Trends in senior living have changed. Healthcare delivery has transformed and evolved. What didn't change was the need for skilled care in Franklin County. And, the designer for the project has remained the same – Michael Allen-Hall!

Michael has witnessed the senior living industry shift its focus of providing care to a large volume of residents efficiently, to providing resident-focused care in smaller groups, now called neighborhoods, to provide more person-centered care. This concept is certainly what we all want for our loved ones and ourselves.

THE SKILLED CARE CENTER WILL FEATURE:

- Two skilled care households for 15 residents each
- A short-term rehabilitation center for ten residents
- A rehabilitation gym
- Access to outdoor spaces
- Resident rooms located close to the common areas to encourage residents to participate in community life
- Work stations and supplies used by nurses and other caregivers will be discretely integrated into the home-life environment

SpiriTrust Lutheran is pleased to be bringing this project into reality after so many years. We are grateful to the individual and corporate donors who have helped us in the initial phase of our capital campaign to meet this community need. Your support means that the residents of The Village at Luther Ridge and the greater Franklin County community will have peace of mind knowing that as their needs grow, every level of care will now be available to them on one campus and within one family. 🌈

Because life is better with friends.

“It is more blessed to give than to receive,” was a common phrase repeated in the home of Victor Brown, a volunteer in the SpiriTrust Lutheran® Senior Companion Program. Victor has a long track record of being involved in community development and reaching out to help improve the lives of others, so when he learned of the program, he reached out to Lambrini Nauss, director of the Senior Companion Program. That’s when he met Robert.

“I enjoy spending time with Victor—he is a true friend,” says Robert Crouse, a client of the program. “I enjoy talking and doing activities with him, like visiting Lake Redman, going on trips to Mack’s Ice Cream, and going to the Northeastern Senior Center where we play cards, paint, and eat lunch.”

The program is designed for volunteers, ages 55 or older, to help keep other older adults connected with the community and improve their overall well-being with one-on-one visits once a week. Volunteers are provided a tax-free stipend, mileage reimbursement, paid training, and vacation and sick time. These interactions offer a chance for volunteers and clients to connect, listen, and offer encouragement.

Robert Crouse (left) and Victor Brown (right) enjoying a game of cards together.

“Volunteering and spending time with the clients helps me realize how blessed I am, and the impact that one person can have on another’s life,” says Victor.

Sharing conversation, going to art galleries, and even volunteering at the York County Food Bank to give back to the community are just a few ways Victor and his clients spend time together.

“If I have a doctor’s appointment, need to get items from the store, or even hang a curtain in my home, I know I can count on Victor and the program to help me get those things done. Victor and the program have provided me with companionship and a positive outlook on life. If you want a friend—join the Senior Companion Program,” says a smiling Robert.

With the help of our donors, the SpiriTrust Lutheran Senior Companion Program is able to help volunteers make an impact on someone else’s life, while providing companionship and support to other older adults through the sharing of time, hobbies, and other recreational activities. In 2017, with the help of 57 volunteers, 195 clients were served through the program. Since its inception in 1999, the Senior Companion program has served 1,875 clients in York County.

Our clients know somebody cares about them and they are there to help and encourage them. We are grateful for the impact our supporters are making in the lives of those in our community. Thank you for your partnership! 🌟

Dignity every step of the way.

Plans were underway for Frances Gilbert's 93rd birthday when previous health issues began reemerging. After consulting with doctors and reviewing treatment options, many of which involved hospitalization, her family felt the best option for Frances was to move forward with hospice services. SpiriTrust Lutheran® Home Care & Hospice was called upon to bring that much needed care into her own home.

“Everything we needed, the staff got immediately—just every kind of comfort care.” ~MARTHA MARTIN

Being at home enabled Frances to stay comfortable in a familiar place surrounded by loved ones. “The staff was just so caring and immediately got back to us when we had questions,” recalls Martha Martin, Frances's daughter.

With nurses making visits once or twice daily, as well as on the weekend, Martha and her family had team members to talk through aspects of care continuously.

“I remember Mother being restless the day she passed. The aide came and was so peaceful with her. She changed her gown, and gently rubbed lotion on her. She knew exactly what my mother needed,” Martha recalls emotionally.

“The dignity Home Care & Hospice gave my mom and the aides was just beautiful. Even though there was a lot going on and Mother might not have understood everything that was happening, the nurses talked to her and explained what they would be doing every

Frances Gilbert taking a walk with her granddaughter.

step of the way. Everything we needed, the staff got immediately—just every kind of comfort care,” says Martha.

After Frances' death, the nurses stayed with Martha to help her navigate through the next steps of her mother's passing. But, this support is not isolated to just Martha's family. SpiriTrust Lutheran Home Care & Hospice provides several volunteer based programs to support those suffering from the loss of a loved one. From baking Bereavement Bread and delivering it to grieving families, or creating a memory bear out of a loved one's meaningful fabric—SpiriTrust Lutheran Home Care & Hospice is here to offer support by helping provide hospice care to families in need.

Martha's family is just one of more than 11,000 stories from SpiriTrust Lutheran Home Care & Hospice. Thanks to donors like you, we are able to ensure that anyone who needs hospice care receives

it, regardless of their ability to pay. With the help of those who believe in our mission, SpiriTrust Lutheran is able to provide ongoing, compassionate care and support not only for those in our care, but for their families as well. Thank you for allowing us to complete this very much needed work. Families such as Martha's are one of the many reasons why SpiriTrust Lutheran Home Care & Hospice exists. 🌿

Moving forward together.

Jeff and Melissa Marks

Melissa Marks had taken several falls resulting in serious injury, so she and her husband, Jeff, decided it was time to start looking for a senior living community. After careful research they selected SpiriTrust Lutheran®, The Village at Luther Ridge as their new forever home. Ellen Doub, director of Sales & Marketing at The Village at Luther Ridge assisted them step by step. “Ellen was a breath of fresh air. She listened to us, was very accommodating and understanding of our needs. She explained the move-in timeline in detail and kept us in the loop. It was so smooth, there were no headaches, and she really did everything for us. It was the little things she did, like having lunch delivered for us and our movers on moving day,” says Melissa and Jeff.

After moving to The Village at Luther Ridge, Jeff and Melissa wanted to get involved with the community

and make a difference through directly donating to the “Completing Our Family of Services” campaign. The funds will assist in the construction of a new Skilled Care Center and Short-Term Rehabilitation at The Village at Luther Ridge. “We want to leave a mark, to do something for other people now so that when we need it, someone will do something for us. Seniors need love and care as they get older, and we want to help,” says Jeff.

In the short time that the Marks' have been a part of the SpiriTrust Lutheran® family, they have not only made a difference in the lives of the people that are being served here, but they are helping to build upon and make a difference in the place they now call home. 🌿

“Seniors need love and care as they get older, and we want to help.”

FOUNDER'S SOCIETY

Recognizes those donors whose lifetime cumulative giving (current and/or deferred) to SpiriTrust Lutheran totals \$1 million or more.

Harry B. and Marcella S. Fleck*

A gift from Harry and Marcella Fleck enabled SpiriTrust Lutheran to build the community center at The Village at Luther Ridge, where residents enjoy meals, play pool or games, exercise, read books and access the computers in the library, or just socialize with other residents.

The P. H. Glatfelter Family

Five generations of Glatfelter family members have contributed regularly to the ministries of SpiriTrust Lutheran. Through their lifetimes, Philip H. Glatfelter II and Philip H. III have generously given more than \$1 million from estate gifts and grants from perpetual foundations to the agency. Members of the current generations of the family continue to make SpiriTrust Lutheran and those we serve a philanthropic priority.

Gifts received from January 1, 2017 through December 31, 2017 are listed in the Community Impact Report. We strive to achieve the greatest level of accuracy possible. If an error is discovered, please accept our apologies and kindly contact the SpiriTrust Lutheran Foundation by calling 717.854.4425 or (toll free) 888.404.3500.

Preston C. and Marie A. Riley*

The legacy of Preston and Marie Riley lives on in an estate gift to the SpiriTrust Lutheran® Foundation in excess of \$1.2 million. Through their generosity the Riley's gift helped support campus additions, as well as providing benevolent care funds for The Village at Sprenkle Drive residents in perpetuity.

Paul K. and Anna E. Shockey*

Mr. and Mrs. Shockey's gift established an endowment fund to provide benevolent care to residents at The Village at Luther Ridge who have outlived their resources.

The United Way of York County

For decades the United Way of York County has been making grants from its Community Chest to various SpiriTrust Lutheran programs which well exceed \$1 million. Other United Way agencies across our territory have added significantly to that total. We are truly grateful for our partnership with our United Way agencies.

“SpiriTrust Lutheran is providing vital services to our communities and I truly believe in the mission. I have had the unique privilege of working with SpiriTrust Lutheran through church ministry, volunteering alongside my children, as a business partner and as a board member. I have seen the residents smiling. I have been inspired by the passion and mission of the leadership of SpiriTrust Lutheran to provide the lightest level of service and care. I have witnessed time and time again, they put people first. “We give to SpiriTrust Lutheran because the values of taking care of the health and spiritual and social needs of its residents are so entwined in the Mission statement of the organization. It has been our experience that SpiriTrust Lutheran doesn’t just write the words as platitudes, but lives up to them every day in actual practice and policy.”

“In our giving we seek to help the less fortunate and care for those needing assistance, but always direct our support to organizations which have a higher, eternal, calling of sharing the love of Christ. We give knowing that ‘He who gives to the poor lends to the Lord’ (Prov. 19:17). It is truly astounding that we can lend to the God who already owns it all – and that He gives back generously.” ~LINDA MILLER

“As a parish pastor I see the direct impact that the services and ministry of SpiriTrust Lutheran have on lives of my neighbors here in Franklin County. Through counseling services, home care and hospice, residential living and the LIFE Center, SpiriTrust Lutheran impacts lives faithfully and holistically. As a member of the board, I have another perspective that has confirmed that the agency is administered by a dedicated, passionate and visionary team committed to making a difference in peoples lives. Caring is contagious!”
